H-307 Capitol Building
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for "Construction of Route 6 Corridor Sewer Collection System" in fiscal year 2024.

The entity to receive funding for this project is the City of Swansea, located at 81 Main Street, Swansea, MA, 02777.

The funding would be used for the construction of Phase 1 of a sewer collection system along Route 103 to increase commercial activity and economic development. This project is an appropriate use of taxpayer funds because the sewer collection would enable the Town of Swansea to keep pace with the growing business community along with borders.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

JAKE AUCHINCLOSS
Member of Congress
